Compatibility Charts

Windows products – pp 2-5
Adagio FX – p6

Product Support Availability

All Adagio products, versions **8.1A and higher**, are currently supported.

Footnotes

- (a) Required
- (b) GridView-RW, if used, must be at the same version as GridView. A new version of GridView-RW is released whenever a new version of GridView is released.
- (c) Ledger 9.0B and higher is compatible with CaseWare 2009 and higher.
- (d) ODBC-RW, if used, must be at the same version as ODBC. A new version of ODBC-RW is released whenever a new version of ODBC is released.
- (e) ChartView, if used, must be at the same version as GridView. A new version of ChartView is released whenever a new version of GridView is released.
- (f) If RMA is used OE requires DC 9.2A or higher
- (g) See Release Notes for Service Packs that must be installed if this module is in use and you are not at most current versions of other modules. For IN, see Release Notes for IN 9.0A.
- (h) RMA requires OE9.2A (2016.01.11) or higher
- (i) RMA compatible with IC 8.1A and higher but 9.2A recommended.
- (j) JobCost 9.2A requires PurchaseOrders 9.2A (2015.12.04) or higher
- (k) See limitations on the Windows Compatibility section of Support | Compatibility Info on Softrak's web site. Compatibility with Windows 7 implies Windows 7 SP1.
- (l) Payables 9.2B requires these Service Pack versions or higher (if used): BankRec 9.2A (2017.01.20), Inventory 9.2A (2016.04.25), Receivables 9.2A (2016.10.13), PurchaseOrders 9.2B (2016.11.29)
